TAMPA, FLORIDA

While Florida is a Right-to-Work state, union labor will be required for certain aspects of your exhibit handling. Please read the following information; it will be of assistance to you in planning your participation in the exhibition.

Installation & Dismantling (I/D) – Stagehand Union

The IATSE (Stagehand) Union Local 321 claims jurisdiction over all set-up and dismantling of exhibits, including assembly/disassembly of the “hard goods” portion of exhibits, laying carpet, and hanging of signs/banners. All hired labor, whether hired through Hargrove, Inc., the Official Service Contractor, or an Exhibitor-Appointed Contractor (EAC), must belong to this Union Local. Non-union temporary personnel will not be allowed to perform any type of work that is covered under the Stagehand Union contract.

Three options for I/D labor exist in Tampa. Labor may be:

1. Performed by full-time, permanent employees of the exhibitor. NOTE: Spouses, children, friends and temporary help/labor are NOT permitted in the I/D activities.
1. Hired through the Official Service Contractor – Hargrove. NOTE: Submit the Labor form included in this manual.
2. Hired through an Exhibitor-Appointed Contractor. NOTE: Submit the EAC form included in this manual.

Exhibitors requiring the assistance of forklifts, cranes and/or other power/motorized I/D equipment or additional labor would order same from the Official Service Contractor – Hargrove. Exhibitors may not “borrow” tools from the exhibit facility and/or the Official Service Contractor. Hargrove will have qualified union members available to assist you in setting-up and dismantling your exhibit and equipment.

Material Handling

Hargrove has the responsibility for delivery, loading and unloading of freight, movement to and from storage areas, handling of empty containers, and the operation of all mobile equipment (forklifts, flatbeds, dollies, etc.) at show site. EXCEPTION: Exhibitors may unload materials from personal vehicles and move such materials provided that [1] such is done by full-time, permanent employees, and [2] the materials can be hand carried (i.e., without the use of dollies, hand trucks, or other mechanical equipment). When exhibitors choose to hand carry in accordance with the foregoing, they will not be permitted access to loading dock area(s). Hargrove will not be responsible for any materials they do not handle.

Hargrove shall be the sole authority on all matters in the dock area. This shall include but not be confined to such items as assignment of dock space and loading or unloading of all materials and equipment. Hargrove personnel shall be used for:

- Material/product/equipment handling to and from the dock area and the exhibit space.
- Operating forklifts, cranes and all other equipment for the unloading of all display materials, machinery, product and equipment. Exhibitors cannot “borrow” forklifts, dollies, hand trucks, carts, etc. from the Exhibit Facility and/or the Official Service Contractor to uncrate, unskid, move, position, assemble, reskid, and/or recreate, etc. their equipment, products or displays.

Work Breaks & Gratuities

Union employees receive paid breaks of fifteen minutes at the mid-point of each four hour block of work; employees should not request nor be given additional "coffee breaks". Please attempt to work your people to conform to these mandatory break periods.

Solicitation of tips or gratuities in any form is prohibited. Please, do not tip any Hargrove/union employee, as all are paid at an appropriate, professional wage scale. "Tipping" includes giving money, merchandise or other special consideration for services rendered.

In General

Any questions arising with regard to union jurisdictions or practices should be directed to the Hargrove manager on the floor.
